

Variable Fuel Surcharge

As from 1st March 2018 our variable fuel surcharge will be 6.6%.

Burns Express varies the rate of fuel surcharge on your account so that as fuel prices increase and decrease, so does the fuel rate applied to your account.

For every 1p reduction or increase on a litre of fuel, we will apply a decrease or increase to our surcharge of 0.30%.

Guideline example of incremental changes to the variable fuel surcharge:

Variable Fuel Surcharge Matrix	
Current fuel price ppl	Current fuel surcharge
£0.996	6.6%

Charge in fuel price ppl	Change in fuel surcharge
£0.01	0.30%
£0.02	0.60%
£0.03	0.90%
£0.04	1.20%
£0.05	1.50%
£0.06	1.80%
£0.07	2.10%
£0.08	2.40%
£0.09	2.70%
£0.10	3.00%

Please note as prices increase the surcharge will continue to increase.
